2000 Annual Report

Heron, with the Rotary Club of Hannans and Rotary International supports the special education needs of East Kalgoorlie Primary School. One project involved minesite and bush excursions, with the children's impressions captured in their art. Salena Abdullah's painting was chosen to feature on the cover of this report.

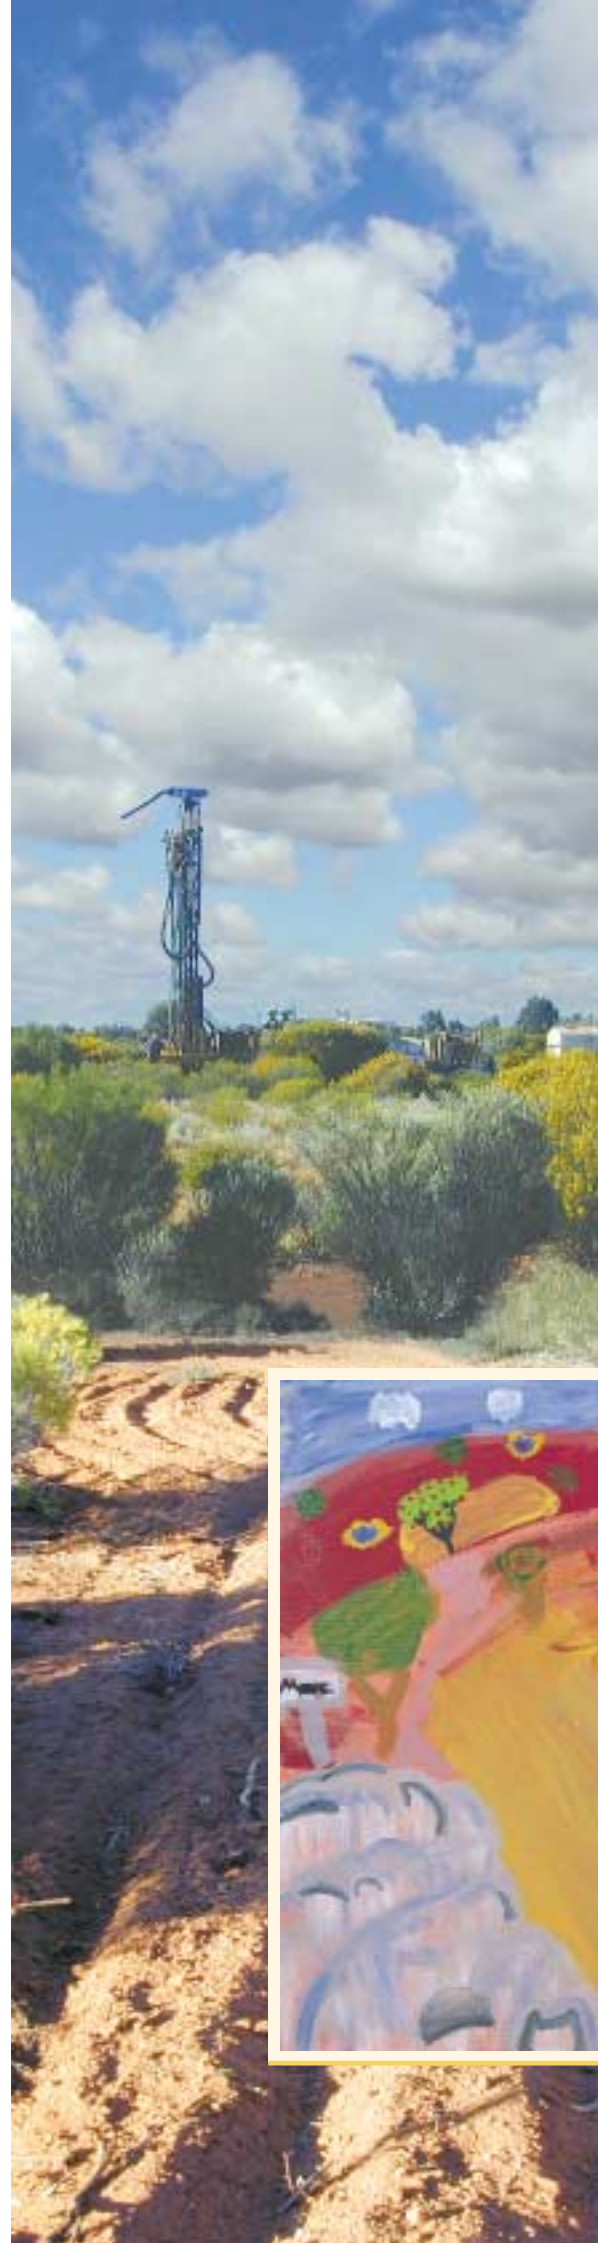

The title of Salena's painting is "Binduli".

*"My painting is of the manmade and natural environment.
In the background is the revegetated land.
In front is a road that leads to the mine.
The colour represents the earth".*

The accompanying photographic image of the Heron Goongarie Project on the front cover can also be described by Salena's words.
