

# Heron Explorer

A quarterly communication from Heron Resources, keeping you informed of our latest projects, initiatives and business opportunities.

## Around the Yard

David von Perger (Exploration Manager), Erin Western (Graduate Geologist), Ian Buchhorn (Executive Director Strategy), Ramon Andinach (Project Geologist) and Fiona Eddison (Admin Geologist) pool their collective wisdom to target Heron's next project.

John Briant (Field Supervisor), uses his superior fork lifting skills to show the technique used to obtain bulk samples of ore to ship to China.

Paul Coggins (Senior Field Technician) demonstrates fire extinguisher techniques in the yard at Heron's Exploration office in Kalgoorlie
